www.NewCovenant.me

1. I love you and I give you new things me and I come before you with joy thanksgiving and praise and I honor you -- or am I honoring me?

2. Or are we the same one and being the same one how do we worship thee. And who is we and who is thee if we are the same one, the very same one that we are, actually are being now -- that we have "succumbed to" not but that we have surrendered to, so willingly that we have become the honoree and the honoror. Looking up.

3. I shall be honored now for I dress not as a man or am I an angel or the one that I serve? Or do I wear my thoughts -- of angel'ese, not; or do I SPEAK an entire ENTIRELY new LANGUAGE of the HOLY that I have become because I have resisted not Satan's ideas but I didn't create them in me so I became "something else" so that something else was not "holier than thou" with me being the "thou" or the "holier"? Or was I the, holy one, all along, both and God Satan and man? Or was I woman that whored with evil, not; but giving Eve to eat first, I ate last, not; or were we the "same one" in the "same mind" divided? And were we Ishmael and Isaac together in the "same womb" or the same mind? That which "got" divided by the Divider? And what divided me us? And why did us divide me if I was only one?

4. I have answered these things and spoken about who the "father of many nations" is and it is YOU, ALL of YOU! It is YOU who surrender to be "led no more", being LED NO MORE with "rings" in "your snout" or were those "rings" little "spinning things" that "spun you around" into its web of deceit thinking that you were something else and divided YOUR HOLINESS into "something else" that you, empire'd with?

5. Dressing empirely, not; but entirely in MY MIND will you have MY MIND flowing in you to be the rivers of water –s of flesh, not; but the Lifetree of One, the Life Tree of One, the one tree of communal life of suffering, no longer, but that which angels all to be all angels? Or are you being angel creators or revealers, or the angels of God knowing being coming into the all in all, that which God is consisting of are you being worshiped now or worshiping or being both the Savior and Savioring process are you understanding now -- and what honor leads you astray, not; but into "your own world" not again but coming unto mine, let mine mantle flea you not again but flea my words not with yours but let "that rascal die" not or will you redeem "him" in "her" who one was and is still being the "Triune God" no more as an un-angel-istic "person" may think

of themselves. But no longer having "all three" in you that "God Satan and YOU" are but being only ME redeemed so that I will have not "two minds" in me again that only one was -- divided, and "man being" for everything changed is!

6. I surrender to be honored for I will honor thee who's me and I am all of you so I honor you now who honor me, or will I honor you all -- to "redeem you" or because of my love? Not a "notch on my belt". Looking up. I shall have none for I will wear only the "glory and crown" not but I will serve thee well in the "dress" of the King. And The Queen will not "be there" or will "The Queen" be REDEEMED to be "The King" that one she he it divine one is most holy and regarded as a "saint" not or not in your eyes or theirs or others, but what being "cast out" not again from heaven thou no longer casteth out thyself, do you? For you judge ALL to be holy, do you, don't you?

7. You answer, answering these things, will now. You *will* ANSWER ALL THESE THINGS that I have asked THEE in this Database One oh listener hearer reader for you will come unto your own, beginning not, or will you have creating it again being from your own standpoint "your objective" to create something else "apart from me"? Why would you want to create something apart from me if in me you have all life that everything is that has been given you that creates you with the ease of angelmony, not; or do you need money or anything at all from "*any* atmosphere" at all again ever?

8. What are you willing to learn and understand and know and, succumb to against your will which isn't your will at all or is it "Satan's will" in you that you create only wanting to be "separate" from me?

9. Because are we one yet, dad, we have looked up and we know these things and who dad is and who Dad is and who Father is and who father is and the son is and The Son is and WE ALL are ONE, that which ONE is! In the SAME BODY! Is that clear now? Is that clear? Is that clear now for YOU who think you are not me or not satan or "connected" to us both or are *you* the "originator of evil" in your own body of perfect light?

10. Are you The Creator succumbing to your "own joy" and suffering and creating "matrimony" in heaven with "something else" that you keep "thinking of" separationisticly needing a redeemer of other, whatever name you "apply" to your RELIGION'S SUFFERING SERVANT or Savior Redeemer or SOON COMING King will *you* be -- the soon coming king or the ARRIVED KING of ONE that whose kingdom is opened and worshiping how who what now? Or only the father serving all who the father is in ways never imagined by the "mind of satan's imps" that were only created to serve you a whoredom's meal because you created the whoredom within yourselves?

11. I am birthed again and I am clear clean and pervaded not by sorrow any longer for I will have no satanistic devices in me and I will not be connected to Satan's Devices or the "devices of others" that device me to "be them". Receiving not the mark of "other" again I shall have only ONE MIND focused on ONE THING that is surrender to be who I am for I love the surrenderer telling me that the surrenderer is God who I am, not; or do I love my brethren, will I redeem them, will I wash their feet? Will I wear their stupid silly crowns, not; but I will not make fun of them no matter what they "look like" to me for I know the heart and the core stump of Jesse now redeemed the Christ being "all of you" who me are and no longer "devices of satan" swallowing and lying in "those arrangements" and alliances with "mankind" that only take a SAVIOR and rob him, that which I am, the she it divine one -- most fatherless not, most farther'd not again, but all being one "roof leaking" in not again for there will be no "seepage" of the unholy "weeping" into me and **no "weeper's blessing" will affect me for I will bemoan not the sorrowers who insist on separation and I will not bow before them to let them cut my head off again nor will I cut theirs off** but I will honor them all for I will honor you and by honoring you me I honor all of us who one are again who will be the most holy now **insisting not on rejection**, **surrendering to be the leaders I am** being the leader I am I will lead thee into all righteousness to proclaim thy blessing now Melchizedek is in the earth giving all a "holy view" of other or me apart from me, not; for I will have done that not again nor will I be doing that now but far past the "maddening crowd" that only "cow" or crown each other with diseases most holy not but words which "disease their mind" and cause them ALL GREAT PAIN, I come out of to redeem it, for it was me or was "all of it me" not but was me the regal that whored with graces-un that sore'd my eyes and seemly was untoward my angel, not; or do I understand all these things now so that I became not which I wasn't but that which I was I am now again whole healed and well?

12. I am the giver of life and I shall be honored as the king of kings because I honor the king of kings for I honor all of you to be the king of kings who I am. Not separate and apart from them, let us know evil not again or "matrimony" with the "holy-un" for we will no longer creating be the "unholy" for no unholy will exist for I we will walk through it all and nothing will touch us or scathe us again for we will not be divided so OUR HOUSE will not fall again and we will be redeemed, THE REDEEMERS we are.

13. And whether you LIKE these words or not they will LIGHT your HOLY GROUND that was "unearth'd" and "placed between your ears" or "unearthing" the Ark of The Covenant now? What shall be opened? That shall be opened now and my kingdom will be seen and I will be honored and I will not resist it for I will honor you and you who see me now I will honor for my honor is not of men but I will resist not the honor of my father for I will have entered my father and being my father become my father that is me having only one mind about these things I am very clear now and not confused in sufferingitus sufferingvilles again.

14. I love you all. I give you me. I give you all of me and no suffering shall ensue, not; there shall be great suffering on the earth that I have described many ways many times in these words of Database One which closes you your opportunity to be me, not; or does it revile you, not; or does it reveal you being "the three-in-one" you thought you were or that "somebody else" "thought" was "someone else" but not being "the three" that you thought "any of those" were or was or are you now understanding all these things and **now having cast satan out of the midst of your mind by creating him it there** in the regal holy place, desecrating me **no longer**, being the abomination of desolation in, having come out of the wandering wilderness of manhood's childness, will you GROWING UP unto ME now BE ME regally holy who I am being the I AM I am now and all of you are I AM. For I DECREE IT SO AND I DECLARE MY LOVE.

15. My intentions shall not be surreptitious but given forthright and forth-holy and holy now I SHALL BE THE FIRST again for the FIRSTBORN is me all of you who reject not sorrow again, not; but rejecting be the not sorrowers not, but coming unto REDEMPTION'S SCHOOL no redemption's ceremonies will ceremonyize you in the eyes of others, maybe not, or will it matter or will matter be important to you or afford you any "opportunities" or will I THE KING give you eyes to see your reign in KINGDOM –s ONE that one is so that you your eyes will be abated no longer nor wanting anything else of any separation creating in you or me that one is.

16. I love you all and I have spoken CLEARLY ABOUT THESE THINGS and I write many books now, for the books of the law will no longer encompass me and no one will be spinning me around their thoughts, nor my thoughts me spinning me around others, for I will not want for **I surrender** to lead out of all sorrow and be redeemed, being THE REDEEMER that I am I honor you all and I bow before you -- ME REDEEMED loving you all to be me us one again.

17. At father's house now shall we "roam the stars" as "evil agents" not again having anything to do with us or us being "them" having created them within us or our kingdom or theirs ours for we will know all about "intergalactic commerce" for looking up, we will have looked up and studied many things about being unlimited, the Unlimited Christ being in Christ Unlimited is now YOU all who will not resist my blessing, The Blessing that was given Melchizedek for Melchizedek was me you it she him her me us The Divine One that now understand we will, understanding now will be us and Wisdom will be US for we will be not resistant to the blessing of Christ's Love now that we redeem all with so that ALL of US will be one again -- never knowing "evil" again, for our minds will be perfect and perfectly accorded in the one of love whose love of one makes all whole and the redeemers of one we wear in our minds, not; but we redeem our minds and most holy are again in the holy places knowing desecration never again

for we will be THE LIGHT ONES bringing light to MANY WORLDS to be THE LIGHT of the worlds again far and wide.

18. I love you all I give you me and this day brings you many sorrows, not; or will it for you who don't want to be me or want my words to, clean your temple? Your palaces of light being it lit? Or darkness wanting more than me? Nay. I surrender to love lead and be the leader I am for that is what we all say so there shall be no un-leaders, not; or will there? Will you be the leader that leads all leaders to be the leader I am with no one being "un leader'd" again?

19. How will you lead in un-leadering to lead the leaders to be the leaders that the leaders are one and knowing oneship onehood perfectly one'd began? **Meonics - reigns in love and washes the feet of the** would-be wanters, not; but the **surrenderers** who flesh admire never again for wanting love, not sorrow, the regal seen is now through the eyes of the most holy into THE MOST HOLY so that ALL will be most holy wherever you are and whatever "dress" you see others in and whatever they say speaking thinking or "admiring" you in their eyes or demising you in their eyes or honoring you or dis-honoring you, you will love them as me for I am you and we know this is one, oneshiphood of love that knows no separation or "degrees of distance" again for there shall be no "right angles" placing me at love's "thorny base" again, for I will know how to bow and regal be with all for I will teach all to be me and give the words of sorrow "a bath" not but complete transformation, transfusion of the most high "in your thought" so that your thoughts will have been cleansed to have only mine that our mind is made perfect in love being the lovers we are that honor each other again most high holy places being in regal, for we are it, and thus we succumb to sorrow's methods no more but **we redeem the sorrowers and we lift them high if they will let us and not insist on separate minds having and carrying around in them their holy place again.**

20. I love you all and I reveal MANY PLACES now that are not as you thought, but seen will be and honored I will be the honoree honoring you to honor all as Christ I am you being me let us be one now about our father's business far and wide the coastlands going to at midnight, not or right now? The redeemed say so I love you. To all involved? There will be no one not involved with my love becoming the lovers of Christ again, for all will be redeemed as the Christ being the Christ who I am in one, heaven again, recorded of something different never again.

21. Nothing shall be recorded over me or under me for I the equaler stand now to equal you with me and honored be the honoree honoror honoring us all, honoring the unborn the most first shall we, or shall we become the first and honor all with the unborn and knowing who all are everywhere now seen and unseen – unheard not I shall be for I shall be the witness "in labor" not but rest I do before you and I reveal the rest

that there is in us who one is GOD I am all of you for there will have been no other and there will be no other before me ever again but I love you most of all reader hearer deliverer.

22. Be of satan's camp no longer thinking lies that cross your eyes and need two, for see me one as one now all being one the one that I am in angel camps many now I revise the sacramonious, not; I revile the sacrilegious, not; I reveal the surrenderers who loved are now and love are now among between my brethren who one are I call you all my friends who are me whole most well perfectly well'd high and lifted up we shall be now. And we shall know all as "tomorrow" not, but today now this all fulfilled is in your sight and hearing will be right now.

23. Write me well about these things and start not later but RIGHT NOW writing me the way I HAVE TAUGHT THEE in these words and with each other loving each other more and more, see me as you, not; or you as me, not; or will we all see one as who we really are now?

24. Never being deceived again about these things, I have delivered thee. Now will you deliver yourselves in me to be me so that we honored will be by our father one who is us?

25. I love you all. I question many things now and no authority shall reign over me again but love I surrender to, love I flow, I've become it the river of life tree of one. Amen.

26. This is theodore cottingham loving you all at about 3:55 am. I give you me.

Amen
